

This is how to make my snowman. First, make 3 circles that are white. Hint: make the snowman short. Next, Make median sized hands that are brown. Then put a violet red button, lime, and green buttons in the middle of the snowman going up and down. Finally do not put a hat on the snow man make a triangle nose that's orange and straight lips. And then make sunglasses for the snowman that is black. Finally make any background for your snow
